REASONS

1. This is an application by On Stage Te Kuiti Incorporated for a special licence for a series of shows to be held at The Little Theatre premises from 4-12 August 2023. This application was received more than 20 working days prior to the event as required by section 137 of the Act.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?

- g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
- h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
- i) Does the application comply with the Waitomo District Local Alcohol Policy?

Should the special licence be granted?

- 5. The general nature of the event is series of five theatre performances. The maximum seating capacity in the theatre is 80 and, due to the nature of the performance, the majority of attendees will be over 18 years of age. The licensing committee is satisfied that the proposed trading hours are reasonable.
- 6. The Licensing Inspector reports that the application does comply with the Waitomo District Local Alcohol Policy.
- 7. The licensing committee is satisfied that On Stage Te Kuiti Incorporated is a suitable applicant to hold a special licence. On Stage Te Kuiti Incorporated is entitled to hold an on-site special licence because the organisation is a incorporated under the Charitable Trust Act 1957 (s 28(b)) and has demonstrated compliance with the Sale and Supply of Alcohol Act 2012.
- 8. The licensing committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly, and that harm caused by inappropriate or excessive consumption of alcohol is minimised. Alcohol will only be served before the shows commence and after the shows. A grazing table of food will be supplied on a rear table.
- 9. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The premises layout is typical of a small theatre with a stage at one end and a bar servery at the other. The bar is supervised with the rest of the theatre undesignated.
- 10. The licensing committee is satisfied that the applicant will provide sufficient food, low alcohol and non-alcoholic refreshments. Free water will be provided at the bar. The use of taxi services will be promoted as a safe option for transport home from the event.

Conclusion

- 11. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol.
- 12. Therefore, the application for a special licence is granted.
