

MARCH 2024

legendary Te Kuiti

October

LTK was one of the sponsors for the Let's get REAL event, with guest speakers Brown

Butterbean David Letele and Pania Te Paiho. It was an engaging evening listening to inspiring stories of resilience, empowerment, and aspiring for more.

The October Legends Trophy recipient was Phil New. Phil stood down as

Chief Fire Officer, a position he's filled for the last ten years. We are fortunate that he will continue to serve the Te Kuiti Brigade as an active senior member.

November

Committee volunteers assisted as the Brook Park Fireworks display. A great evening for the whole family, with food, a Guy competition and a spectacular, safe firework display.

Amanda Kiddie received the Legends Trophy for organising an inclusive and safe Halloween event for Te Kūiti's Tamariki.

Opening up the Waitomo Club to non-members for the evening to make sure that Halloween could be celebrated in a fun and safe way for everyone

The Legends Gallery launch - 24th November

After years of planning, fundraising and hard work we were delighted to share this exciting project with the community where we honoured six local Legends.

Thank you to everyone who joined us to honour the six inductees, to our sponsors and all who supported our committee to bring this project to the community, we are most appreciative.

MARCH 2024

legendary Te Kūiti

December

Our volunteers were out and about early in December decorating the street with Christmas trees, giant present boxes and making sure the main street mob looked their best

We enjoyed being part of an amazing Parade! The atmosphere was full of joy and smiles were everywhere.

The floats were incredible. What a magical event Thank-you Waitomo District Council for organising a great event.

The final recipient of the Legends Trophy for 2023 was Jared Needham.

Jared was nominated for the commitment he has shown and work he has

done as a volunteer coach for the kids at TKP for rugby, touch rugby and also his work as one of the main organisers of the Sheehan family fundraiser.

It was great to have the Legendary Te Kūiti Christmas Market back up and running alongside the parade. We also set up a Santa's grotto where people could come and get photos with Santa for free.

A huge thank you to Santa and all the stall holders who put in so much effort to be there and added to the joyful, festive atmosphere of the event.

Our annual Shop Local campaign and competition was well received and supported.

Thank you to all the businesses that took part, assisted customers with putting their entries in and for making extra boxes for themselves and other businesses when needed. You are #legendary and helped make the shop local campaign a success.
