DECISION OF THE COMMITTEE

No objections have been filed in respect to this application pursuant to section 140 of the Act, and it is therefore determined on the papers by the Chairperson alone in accordance with section 191(2) of the Act.

Reports have been received from the Police, the Medical Officer of Health and the Licensing Inspector. No concerns have been raised in respect to the criteria outlined in section 42 of the Act.

There is no information to question the applicant's suitability and it is felt they have appropriate systems, staff and training in place to comply with the law. This, combined with the design of the intended premises, and the availability of food, low and non-alcoholic beverages leads to the conclusions that there is unlikely to be any negative effect on the amenity and good order of the area, and that ultimately the application satisfies the object of the Act.

However, in order to ensure that is the case, a number of conditions have been recommended in respect to the application. Namely:

- a. Alcohol may be sold under the licence only on the following days and during the following hours:
Saturday 3 December 2016 6.00pm to 12.00 midnight

 - ii. Request evidence of age documents from any person appearing to be under the age of 25.
- c. The licensee must take the following steps to ensure that the provisions of the Act relating to the management of the premises are observed:
