Should we move the Awakino Transfer Station to Mōkau?

I agree with Option 2 - Keep the Transfer Station in Awakino

My feedback on the Awakino Transfer Station

Moving the transfer station right next to people's houses is a horrible idea. No one wants to live next to rubbish dumping area. Dumping of rubbish wont change no matter where the station is, its people's pure laziness. There's already rubbish bins in mokau including recycling bins and people still dump rubbish. Leave it where it is, where no one's houses are affected.

Do you have any feedback on the Draft Annual Plan 2026-27?
