

Local Alcohol Policy Survey

As part of the new Sale and Supply of Alcohol Act 2012 which comes in to force this year, Councils have the option of adopting a local alcohol policy to regulate some aspects of the sale of alcohol, including the number, location and hours of licenced premises.

We are keen to hear your views. This survey can be delivered or posted to your nearest Council office, or you can complete it online at www.waipadc.govt.nz by clicking “submit it”.
